Game

About me

I am an ambitious and motivated individual seeking a rewarding entry-level position where I can utilize my skills in both finance and software development. With a background in financial management and system development, I excel in integrating financial systems and implementing financial software solutions. I aim to bridge the gap between financial knowledge and technology to drive efficient outcomes.

Achievements & Key Projects

Financial Management N6 - Medal third place in the Business Studies
Department 2021

Work Experience

2023-Present

Capaciti Tech Career Accelerator
